

THE SECOND SAUDI INTERNATIONAL CONFERENCE ON NUCLEAR
POWER ENGINEERING (SCOPE-2)

Contribution ID: 25346

Type: **Student Competition**

**The role of small modular reactors in hybrid
electricity systems to achieve a circular carbon
economy**

Tuesday, 4 November 2025 11:00 (7 minutes)

Technical Track

Nuclear Applications and Radiation Processing

Primary author: AWAJI, LAILA (Mechanical Engineering)

Session Classification: Student Competition
