

Defects Creation in Ionic Fluoride Crystals by MeV Heavy Ions

Wednesday, 5 November 2025 14:00 (15 minutes)

Technical Track

Nuclear Applications and Radiation Processing

Primary author: Dr EL-SAID, Ayman (Physics Department and IRC-AM)

Co-authors: Mr AL-JISHI, Abdullah (KFUPM); Dr AKHMADALIEV, Shavkat (Institute of Ion Beam Physics and Materials Research, Helmholtz-Zentrum Dresden-Rossendorf); Dr FACSKO, Stefan (Institute of Ion Beam Physics and Materials Research, Helmholtz-Zentrum Dresden-Rossendorf)

Session Classification: Nuclear Applications and Radiation Processing
