

CFD Study on Smooth Stratified to Wavy Stratified Flow in Horizontal Two-Phase Flows: Diameter-Dependent Scaling Laws and Pressure Drop

Monday, 3 November 2025 15:12 (7 minutes)

Technical Track

Nuclear Thermal-Hydraulics

Primary author: Mr DABA, MULUGETA ANBESSIA (Harbin Engineering University)

Co-authors: Mr QIAO, Shouxu (Harbin Engineering University); Mr SUNGA, Sunga (Harbin Engineering University); Mr G. MENGSIU, Hailemichael (Harbin Engineering University); Mr MANAN, Abdul (Harbin Engineering University)

Session Classification: Student Competition
